

House 1

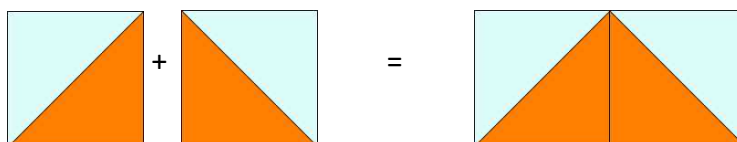

To make this house you'll need
 Sky – 1 square – 5-7/8" x 5-7/8"
 Roof – 1 square – 5-7/8" x 5-7/8"
 House – 2 pieces – 1-1/2" x 2-1/2"
 House – 4 pieces – 4" x 1-1/2"
 House – 1 piece – 2" x 10-1/2"
 Windows – 2 pieces – 3" x 2-1/2"
 Door – 1 piece – 4" x 2-1/2"

To assemble

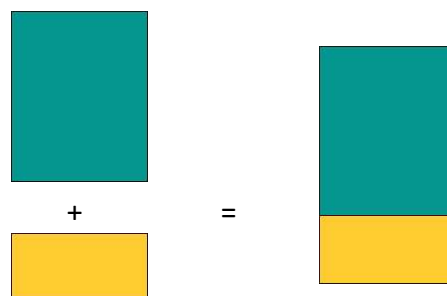

- Draw a line on the diagonal of the sky (or roof), place it right sides together with the roof (or sky). Sew a line 1/4" away from the line on both sides of the line. Cut on the line to make 2 half square triangles as shown below.

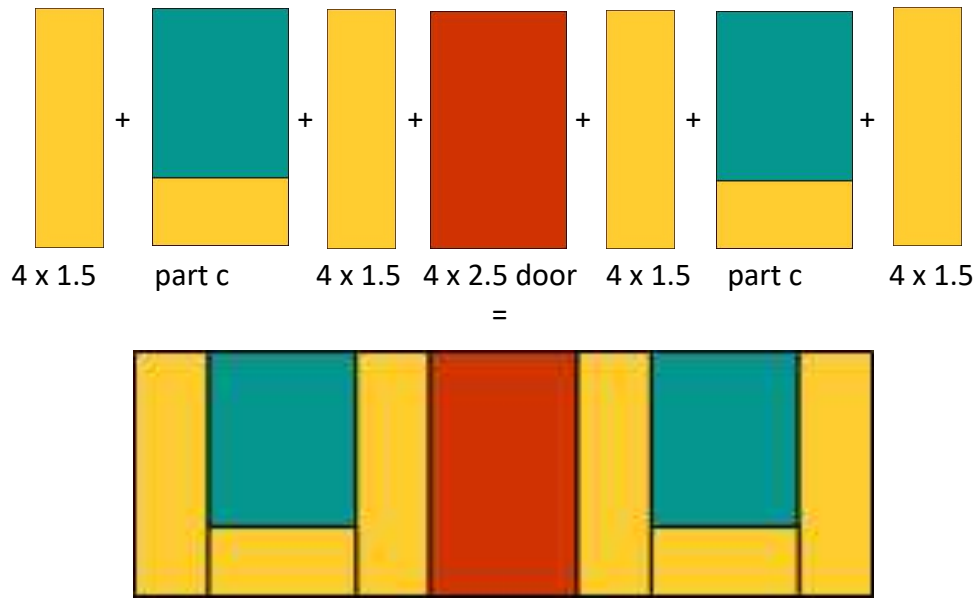

- Sew these 2 half-square triangles together as shown below

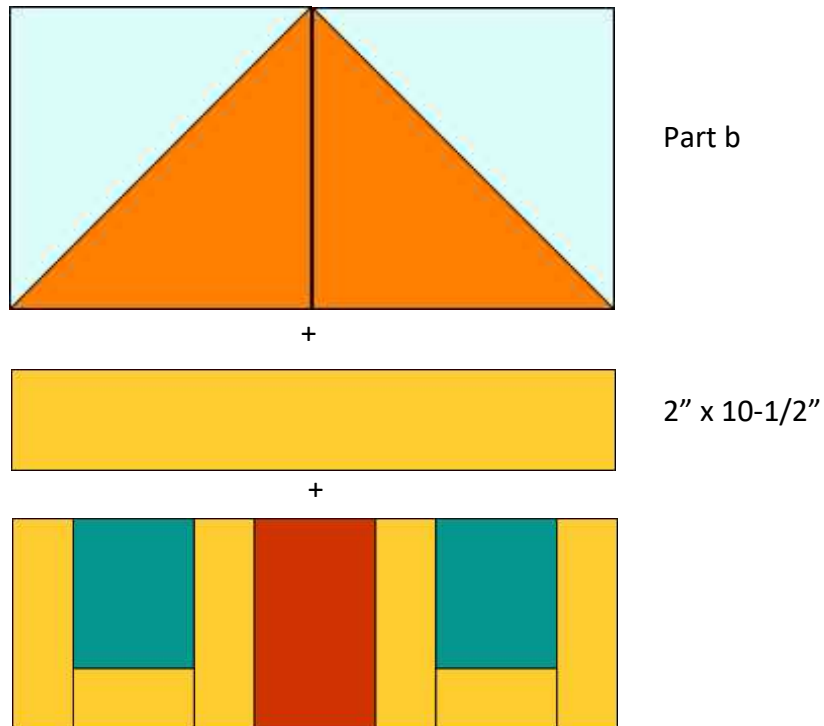

- Sew a 1-1/2" x 2-1/2" house piece to a 3" x 2-1/2" window piece as shown at right
 Repeat to make 2

d. Assemble the walls, windows, and door as shown below

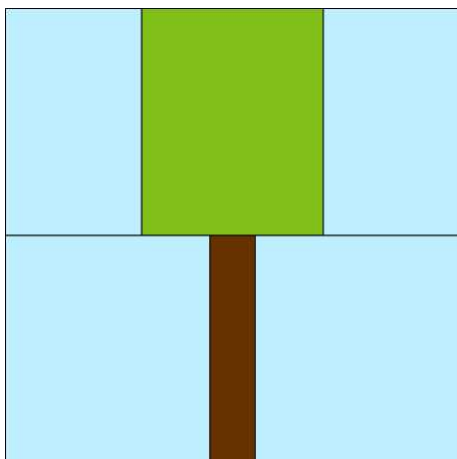

e. Assemble the house as shown below

Tree 1

This is a fairly straightforward constructed block which looks a bit like a tree (maybe from a Dr. Seuss book!)

To make this block, you'll need the following pieces

2 pcs – Sky – 3-1/2" x 5-1/2"

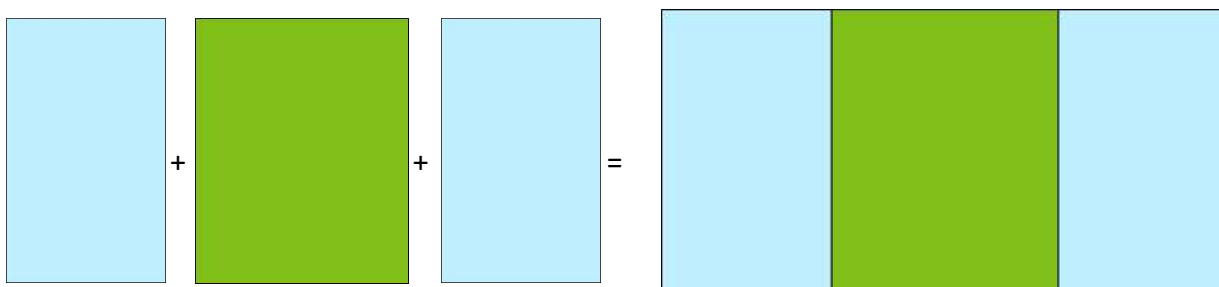

1 pc – Tree – 4-1/2" x 5-1/2"

2 pcs – Sky – 5" x 5-1/2"

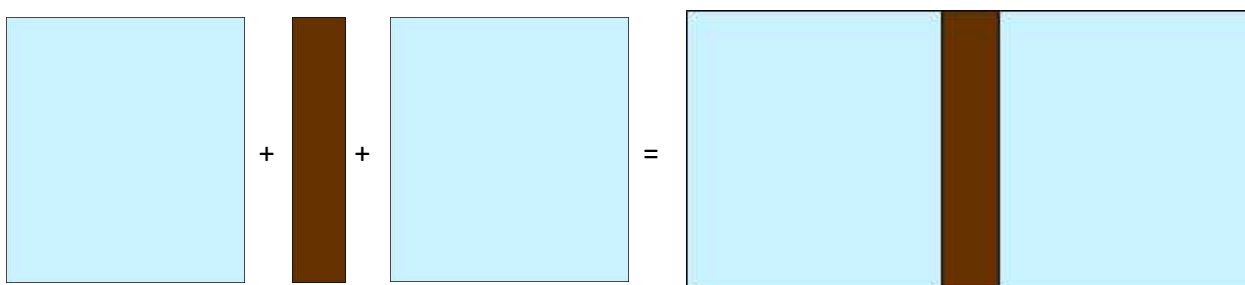

1 pc – Tree Trunk – 1-1/2" x 5-1/2"

Construction

- A. Sew one of the 3-1/2" x 5-1/2" sky pieces to the 4-1/2" x 5-1/2" tree piece, then add the 2nd 3-1/2" x 5-1/2" sky piece to the other side of the tree piece.
(As pictured below)

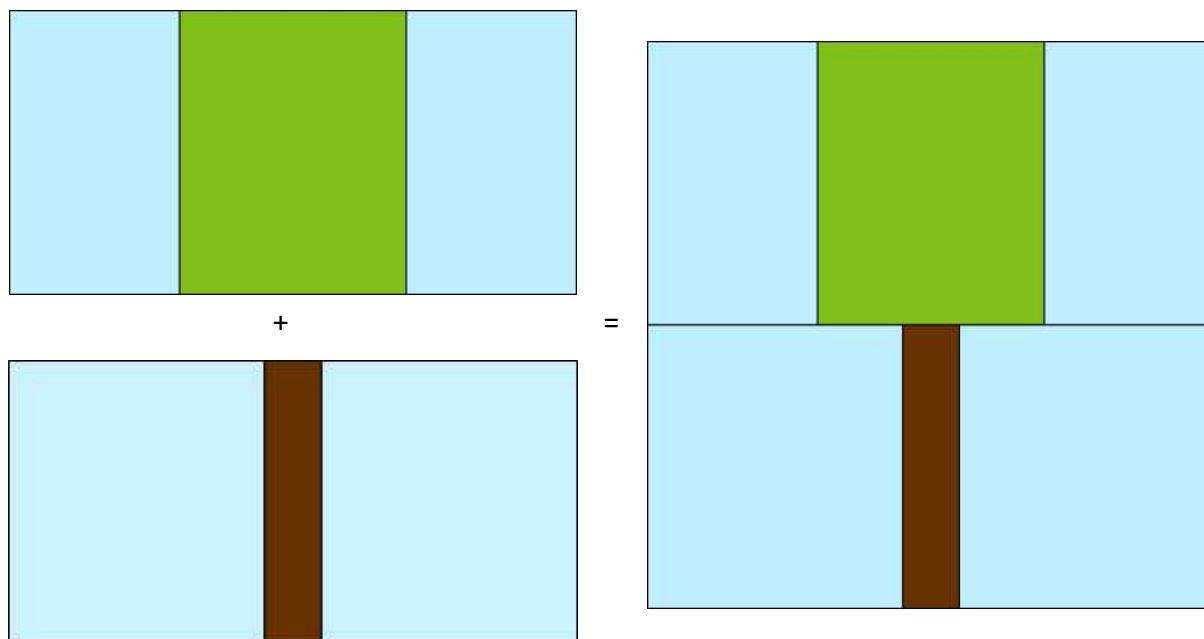

- B. Sew one of the 5" x 5-1/2" sky pieces to the 1-1/2" x 5-1/2" Tree Trunk pieces, then add the 2nd 5" x 5-1/2" sky piece to the other side of the tree trunk.
(As pictured below)

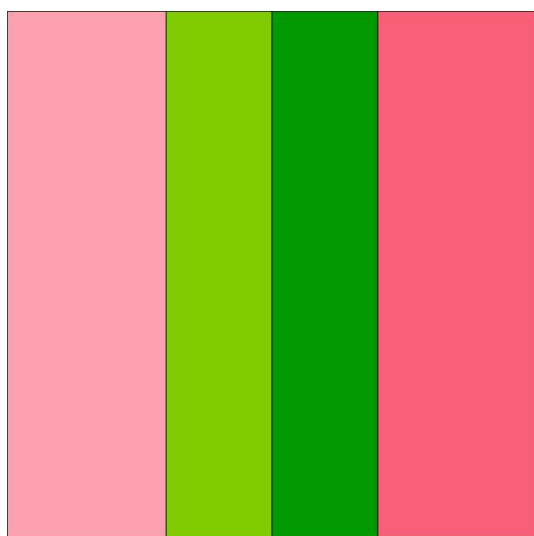

C. Final Assembly

Sew part A to part B to complete the block.

Garden and Paths 1

The Garden and Path blocks are intended to be graphic shapes which could represent a garden with a path (or two) running through it. This first one is super simple to cut out and construct.

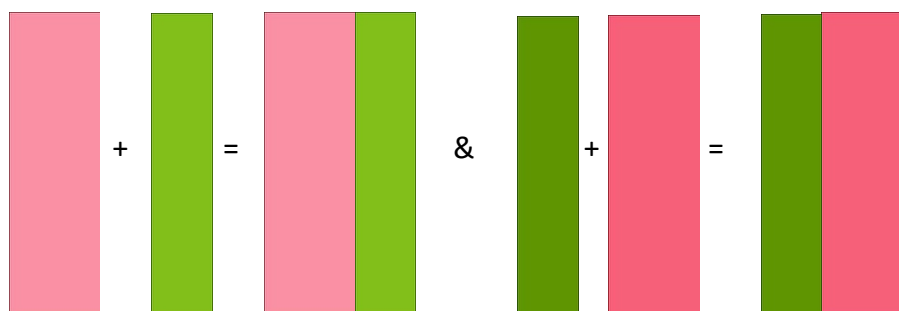

To make, you'll need the following:

- 1 pc – Garden 1 – 3-1/2" x 10-1/2"
- 1 pc – Garden 2 – 3-1/2" x 10-1/2"
- 1 pc – Tree 1 – 2-1/2" x 10-1/2"
- 1 pc – Tree 2 – 2-1/2" x 10-1/2"

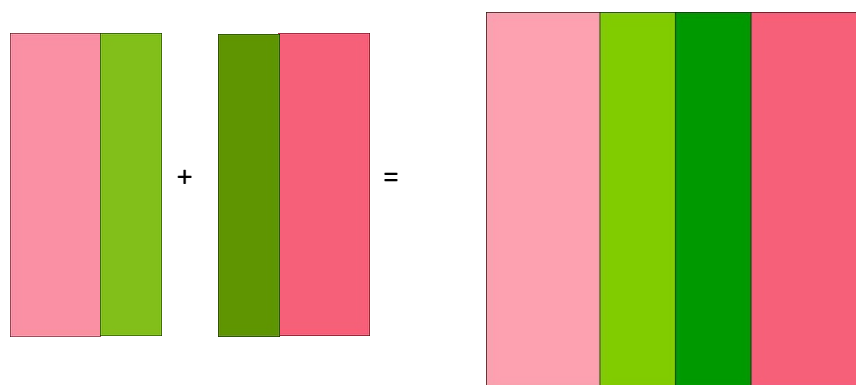

To Construct, sew one of the garden pieces to on one of the paths as shown below. Repeat with the 2nd garden and path, them sew these 2 sections together. (As shown below)

A.

B.

Please remember, these patterns are only ideas. Feel free to make changes or design your own block, just make sure it is 10-1/2" x 10-1/2" (to finish at 10" x 10")

Have Fun!
